

RENO-TAHOE AVIATION GROUP

Adopt-a-Spot Cleanup

Saturday, March 28th, 2026

Meet at 9am at the north end of the Atlantic Aviation parking lot.

Please wear long pants, sturdy shoes, & a hat, and bring a water bottle.

KTMB will provide safety vests, work gloves, grabbers, trash bags, and buckets.

We will split into teams & clean the west side of S. Rock Blvd. between Mill St. & Longley Ln.

RTAG does these cleanups in memory of several longtime members who have “flown west”, including Bob Meurer, Steve Katzmann, and Dave Ruth.

Come & help us keep the airport grounds looking nice! Everyone is welcome!

This event is subject to postponement in case of high winds or precipitation.

RSVP to Kari so we know how much equipment to get.
