

Board of Director Elections

Greetings, aviators! Every two years, RTAG members have the opportunity to elect the new Board of Directors. Consider volunteering your expertise and experience. The local aviation community needs enthusiastic pilots like you to keep aviation strong in the Reno-Tahoe area. You will meet and make flying friends while working side by side with local pilots.

Any member in good standing [current paid membership] is eligible to be considered for a 2-year term (2023-2025) on the board. Take a look at what RTAG has accomplished in the past and imagine what we can accomplish in the future with your help. Our goal is to keep GA alive and well at KRNO.

The election will be held at the General Membership meeting on February 1, 2023. Please submit your name either in writing or during the meeting for consideration.
